

It is a privilege and a pleasure to represent the people of Texas' Seventh Congressional District in Congress.

I am proud to serve this district, and I look forward to your partnership. The best way for me to represent you is to hear from you about your concerns, your priorities, and your needs.

I hope you will call or write our offices, listed below.

We have a talented and dedicated team that serves our district in Washington and in Houston. We are always glad to help by answering questions and helping solve problems. Here are some of the things we can help with:

FEDERAL AGENCIES

While we cannot ask an agency to decide a matter in your favor, we can usually help you get information and a prompt response from agencies including the IRS, SBA, FEMA, HUD, and many others.

COVID-19

Our team can help if you have questions about small business assistance, need help obtaining your Economic Impact Payment from the IRS, or need assistance contacting the Texas Workforce Commission.

**SOCIAL SECURITY
& MEDICARE**

If you need information about Social Security programs, including retirement and survivor benefits, disability, and supplemental security income, or Medicare, including determining which health care services are available for coverage, or if you are having trouble with claims, we can help.

VETERANS' BENEFITS

If you need help with your claims for VA pensions, disability benefits, VA medical services, burial benefits, military records, or overdue medals, we can help you.

PASSPORTS

If you need a new or replacement passport processed urgently, we may be able to speed up the process.

IMMIGRATION MATTERS

If you have problems with visas, green cards, naturalization, or other issues, we may be able to help.

**EDUCATIONAL
OPPORTUNITIES**

We have internships in Houston and Washington for students. I have the honor to nominate a limited number of highly qualified candidates for our military academies each year.
